## Overnight Dog Boarding & Dog Day Care Services

Don't Forget Me! Doggies Paradise is a dog hotel, resort and camp, all rolled into a great vacation destination for dogs. We provide Dog Day Care & Dog Boarding Services right in our own home, so we don't need security cameras to watch your loved ones, because we are always there in person (and we enjoy it too!).

We have explained everything we think you should know about our services below, but you can also visit our website ([www.DontForgetMe.ca](http://www.DontForgetMe.ca)) or give us a call for more information.

**Here are the basics of how we operate:** Check-In & Check-Out times for current doggy clients only, 8am to 9am or 5pm to 6pm, and our rates are by the day. We offer discounts for longer stays & 10% discount for multiple dogs from same owner. In our cage free environment, there are no additional fees. Depending on the health and energy level of the dogs, they get at least two long walks per day along our 30 acres of private trails, with stops at the ponds. Also, during the day under our supervision we allow the dogs to go outdoors within our three large fenced in yards as much as they want to play with the other friendly dogs. At night the dogs are safe inside, and they can decide where they want to sleep (usually in their own dog beds, but sometime in our bed).
